A Solid Foundation for a Stronger Future

Since 1919, LutheranCare has played a big part in our community and in the lives of its people in need of compassionate care. Through the generosity of our supporters, we have been able to respond to growing health and human service challenges and provide innovative, quality programs to those we care for and care deeply about.

Your donations to The Lutheran Homes Foundation are investments in the successful future of LutheranCare. As a Foundation donor, you can take pride in seeing your dollars hard at work on the LutheranCare campus: restoring the beauty of the Lutheran Home, creating an environment in which persons with dementia can better interact with their loved ones, providing spiritual and emotional guidance, moving forward in innovative care practices and equipment, and so much more!

Be a part of that success...

Please Give Generously!
